

## Endotoxin Testing Products

**Lonza**  
Research Products

### Stock List 2018

## Solutions for...

- | Accessory Items |
- | Endpoint Chromogenic LAL Assays |
- | Gel Clot LAL Assays |
- | Kinetic Turbidimetric LAL Assays |

# Accessory Items

| Cat #    | Product Description                            | Pack Size    |
|----------|--|--------------|
| 00192568 | Endotoxin Challenge Vials                      | 25 vials/kit |
| 25-340   | LAL reagent grade Multi-well plates            | 50           |
| 00190035 | Reagent Reservoirs                             | 10/pk        |
| 25-415   | Eppendorf biopur tips 200µl                    | 5 x 96       |
| 25-416   | Eppendorf biopur tips 300µl                    | 5 x 96       |
| 25-417   | Eppendorf biopur tips 1000µl                   | 5 x 96       |
| N188     | Pyrospense Kit Dispersing Reagent              | 5 x 5ml      |
| N190     | Beta-G-Blocker Kit                             | 5 x 5ml      |
| N201     | Pyrogen-Free test tubes 10 x 75mm with caps    | 50/pkg       |
| N205     | Pyrogen-Free test tubes 10 x 75mm without caps | 50/pkg       |
| N207     | Pyrogen-Free Dilution 13 x 100mm without caps  | 30/pkg       |
| S50-641  | MgC12, 10mM Solution for use with LAL          | 10ml         |
| S50-642  | Tris Buffer, 50mM Solution for use with LAL    | 30ml         |
| W50-100  | LAL Reagent Water                              | 100ml        |
| W50-500  | LAL Reagent Water                              | 500ml        |
| W50-640  | LAL Reagent Water                              | 30ml         |

# Endpoint Chromogenic LAL Assays

| Cat #   | Product Description | Pack Size |
|---------|---------------------|-----------|
| 50-647U | QCL-1000            | 120T      |
| 50-648U | QCL-1000            | 300T      |

# Gel Clot LAL Assays

| Cat #    | Product Description            | Pack Size |
|----------|--------------------------------|-----------|
| N283-125 | PYROGENT Plus 0.125 EU/ml Sens | 64T       |
| N284-25  | PYROGENT Plus 0.25 EU/ml Sens  | 200T      |
| N294-03  | PYROGENT Plus 0.03 EU/ml Sens  | 200T      |
| N294-125 | PYROGENT Plus 0.125 EU/ml Sens | 200T      |

# Kinetic Turbidimetric LAL Assays

| Cat # | Product Description     | Pack Size |
|-------|-------------------------|-----------|
| N384  | PYROGENT- 5000          | 200T      |
| N688  | PYROGENT- 5000 Bulk kit | 4500T     |
